Hostess just made the holiday season even brighter with new Peppermint Ho Hos – a layer of chocolate cake rolled with a creamy peppermint-flavored filling – marking the first time in history the company has introduced a new Ho Ho variety.

In addition, festive Holiday Cupcakes are also now available at grocery stores nationwide, rounding out the company's range of seasonal items.

These delectable holiday-themed edibles build on the seasonal treats that were introduced this Fall, including the fan favorite Pumpkin Spice Twinkies and Maple Glazed Donettes.

"We are thrilled to offer Hostess fans – for the first time ever – a fresh, season-appropriate take on the classic Ho Hos," said Ellen Copaken, Vice President of Marketing at Hostess Brands, LLC. "With our range of holiday treats, we continue to expand the breadth of flavors we incorporate into our products, and innovate on recipes that have proven to be timeless classics. These exciting new flavors tailored to the season are sure to be holiday hits."
